

## Authorization to leave the territory (AST)

**Pass'Portes: 27<sup>th</sup> to 29<sup>th</sup> June 2025**

I complete the "authorization to leave the territory" for a minor child living in France; needed in case the group rides through Switzerland.

Information to read and authorization to download here: <https://www.service-public.fr/particuliers/vosdroits/F1359>

A minor of French or foreign nationality who **usually lives in France** and travel abroad must have an authorization to leave the territory (AST) if he does not travel with a person having parental authority.
